Derailment, Los Angeles, Los Angeles County, Hazardous Materials Spill Report: 18-7113

On 10/20/18 at 0240 hours, Union Pacific Railroad (UPRR) advised that seven railcars derailed in the upright position inside the East Yard, railyard.

- All seven railcars were carrying vehicles when they derailed.
- No reported injuries to crew members or passengers
- There was no hazardous material released as a result of the derailment.
- A contractor will be called to re-rail the cars.
- Notifications were made per Hazardous Materials SOP.

Please note: The National and Regional Preparedness Levels are maintained by the National Multi-Agency Coordination (MAC) Group and are separate from Cal OES activation levels.

Prepositioning of Cal OES and Local Government Resources for Red Flag Warning Event

In preparation for dangerous fire weather conditions, including high winds, anticipated to impact Southern California Counties, the Governor's Office of Emergency Services (Cal OES) has strategically pre-positioned critical fire response resources to include strike teams of fire engines, firefighters, water tenders and emergency dispatchers in the designated impacted areas. These resources and personnel will begin staffing 10/19/18 at 0800 hours. The pre-positioned fire resources and emergency personnel include:

- Los Angeles County OA: 1 Local Government Type 1 Strike Team (5 Engines), 1 Dispatcher ([All units released as of 10/19/18, 2000 hours](#))
- Orange County OA: 1 Cal OES Type 1 Strike Team (5 Engines), 1 Local Government Water Tender, 1 Dispatcher ([All units released as of 10/19/18, 2000 hours](#))
- Los Angeles County OA: 1 Local Government Type 1 Strike Team (5 Engines), 1 Dispatcher ([All units released as of 10/19/18, 2000 hours](#))

WEATHER SYNOPSIS BY REGION

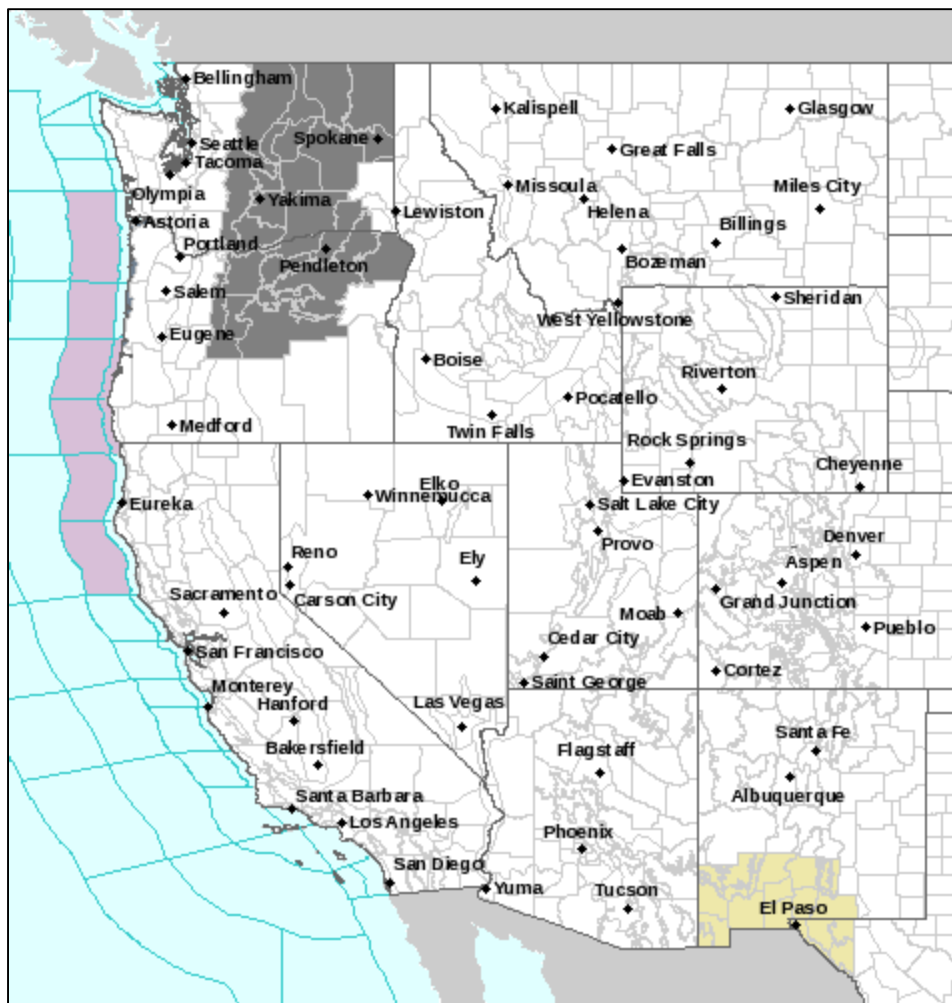

NORTHERN CALIFORNIA

- High pressure will produce warm and very dry conditions through Sunday.
- Daytime minimum relative humidity (RH) 10-20% inland areas and mid and upper slopes near the coast. Overnight RH recovery to 20-40% on mid and upper slopes.
- Afternoon max temperatures 5-10 degrees above normal.
- N-NE/Offshore gusts to 15-25 mph during nights and mornings on the mid and upper slopes from the western Cascade-Sierra slopes to the coast.
- Onshore flow pattern starting Monday will lead to higher humidity, cooler temperatures, better smoke dispersion for burn projects, and a deeper marine layer that moves farther inland each night.
- A slight chance of light rain showers far NW CA Tuesday night and Wednesday, spreading across the north and in the Coast Range as far S as Santa Rosa Wednesday night through Friday.

SOUTHERN CALIFORNIA

- A weak area of low pressure currently off the California Coast will move inland over California Sunday and stay over the state Monday. A trough will move into the Pacific Northwest on Tuesday causing the low to open and push off to the east. A ridge of high pressure will build into California from the southwest Wednesday through the end of next week.
- The northeast to east winds will decrease in strength and become localized through this morning and then winds will become light by this afternoon.
- Maximum temperatures will be 5 to 10 degrees above normal through today, with upper 50s and 60s across the mountains and upper 70s and 80s in the valleys.
- Minimum humidity will be between 12% and 25% through today.
- Isolated to scattered showers and thunderstorms will form over the mountains and deserts this afternoon through Monday afternoon.
- Maximum temperatures will cool to near normal Sunday through Tuesday.
- Minimum humidity will increase to above 20% across the region Sunday through Tuesday.
- Warming and drying will take place Wednesday through the end of next week.

Cal OES LAW ENFORCEMENT MISSIONS

Cal OES Law Missions

- **2018-LAW-52413, 10/19/18, 0201 hours:** The Air Force Rescue Coordination Center (AFRCC) contacted the CSWC regarding a personal locator beacon (PLB) activation plotting in a residential neighborhood of Monterey. Efforts to contact the registered owner (R/O) and emergency contact phone numbers were met with negative results. Monterey PD was asked to check the area where the device was sounding but was unable to see anyone in distress. **Update 10/19/18, 0730 hours:** AFRCC advised the device has moved south east during the night. The device is plotting in a wooded area near Westland Community Hospital. This information was relayed to Monterey PD who advised the original activation coordinates and current coordinates correspond with their homeless community areas. Monterey PD will conduct an area check to see if they can locate anyone in distress. **Mission Ongoing.**
- **2018-LAW-52389, 10/18/18, 1512 hours:** The Mariposa County Sheriff's Office is requesting two human remains detection (HRD) dog teams to search for a missing person from a vehicle that was swept away due to a washout on Hwy 132 several months ago. The Cal OES Canine Coordinator is working to staff the request which is scheduled for 10/27/18 at 0800 hours. Meeting place is the Mariposa County Sheriff's Office. **Mission Ongoing.**
- **2018-LAW-52239, 10/11/18, 1555 hours (reopened):** Plumas County requested 3 HRD dog teams for a search in the Lake Davis area. The search was scheduled for Saturday, 10/13/18. The Cal OES Canine Coordinator secured the requested resources. **Update 10/17/18:** Plumas County has requested to reopen this mission and asked for HRD dogs teams for an operational period on 10/20/18. **Update 10/18/18, 1553 hours:** The Cal OES Canine Coordinator has secured three HRD dog teams for the upcoming operational period for 10/20/18. **Mission Ongoing.**
- **2018-LAW-50684, 10/11/18, 1430 hours (reopened):** Yolo County requested a prior mission be reopened to allow for additional searches. Yolo County has been using HRD dog teams to search for a deceased individual in the Woodland area. **Update 10/18/18, 2145 hours:** Yolo County notified the Cal OES Law Enforcement Duty officer (LDO) of mission update status. The Cal OES Canine Coordinator has secured three HRD dog teams for the upcoming operational period for 10/20/18. **Mission Ongoing.**

Cal OES MISSION TASKING

Cal OES Missions

- **2018-Cal OES-51904:** 2018 July Statewide Wildfires – CNG to provide 55 SHOUT NANO devices, 1 laptop computer, transportation, and required training in support of debris removal operations in the Carr Fire burn area. (On Scene)
- **2018-SREOC-51612:** 2018 July Statewide Wildfires - Holy Fire and Cranston Fire Burn Scars, Riverside County - Advanced Technical Assistance to address the imminent threat and high risk of mud and debris flows the Riverside County Operational Area will experience from the Cranston and Holy fire burn area. (On Scene)
- **2018-IREOC-49869:** 2018 July Statewide Wildfires - Debris Management Task Force for Shasta County. (Coordinating)
- **2018-IREOC-48515:** 2018-07-05-Klamathon Wildfire - Air monitors in Siskiyou County due to the Klamathon Fire. (On Scene)
- **2018-CREOC-48046:** 2018-06-23-Lake-Wildland Fire - DTSC to clear debris from Pawnee Fire. (Coordinating)
- **2018-IREOC-45244:** Daily Operations - Caltrans to remove dead and dying trees along highways in Kern, Tulare, Fresno, Madera, Mariposa, Tuolumne, Calaveras, Butte, Plumas, Sierra, Shasta, and Lassen counties. (On Scene - Long-term assignment)
- **2017-SOC-44098:** 2017 December Wildfires - CalRecycle Debris Management Team in Ventura County. (On Scene)
- **2017-Inland-42559:** Daily Operations - Weather station installed to gather real time rainfall data by Air Resources Control Board (ARB). Mission extended through 05/30/19. (On Scene)

Cal OES

GOVERNOR'S OFFICE
OF EMERGENCY SERVICES

Mission:

We protect lives and property, build capabilities, and support our communities for a resilient California.

We achieve our mission by serving the public through effective collaboration in preparing for, protecting against, responding to, recovering from, and mitigating the impacts of all hazards and threats.
